The Blue and Gray

Southfield, Michigan

SPIRIT...SPORTSMANSHIP...

On your right is the result of what these words mean to the Southfield students and faculty. The Inter-Lakes Student Council awarded this trophy to our school for its outstanding sportsmanship and spirit during the athletic season of 1957-58.

Compare Southfield High--the spirit within it and the spirit that built it--with this trophy. The base represents the solid foundation afforded by the faculty and administration. The trophy itself applies to the students who make up the spirit, and as a body they have formed the Sportsmanship Trophy. Inside is found the enthusiasm of the students in their participation in sports and organizations. These three elements create a symbol, all dependent upon each other.

With this in mind, we, the 1958-59 yearbook staff, respectfully present the Blue and Gray to the students and faculty of Southfield High School.

THE BEATNICKS

...Two winter scenes and two activities, curricular and extra - curricular. The top picture is the gingerbread house that the junior class built for the Christmas Dance.

And behind her horse, in the lower photograph, is Pat Scudder, who demonstrated (outside the classroom) the proper procedure for saddling a horse.

The Hi-Y portrayal of a Berkley-Southfield basketball game was a howling success. Fouls were called by an alert blind referee carrying a white cane. The game ended in the triumph of Southfield over the Clob-trotters despite the frequent disabling of Southfield scorers by Berkley revolvers.

"HEAVEN CAN WAIT"

Phil Floyd starred in the senior class play "Heaven Can Wait." Other characters in the play were Sandra Garber as messenger 7013; Phil Vestevich as Mr. Jordan; Kathy Berberich as Julia Farnsworth, a murderess; Gary Mitchell as Tony Abbott; Sherol Riedel as Bette Logan; and Bob Tack as Max Levene.

SKI CLUB

The newly organized Southfield Ski Club, with two sponsors from the faculty, boarded a bus January 23 for a weekend of skiing. These eighteen students stayed at the Silver Birch Lodge and skied for two days at Walloon Hills. The conditions were ideal with a deep base and almost a foot of fresh powder. The weekend was one never to be forgotten, and the skiers "wish they could do it again."

MUSIC

The Crewnecks entertain at a sox-hop.

One...and a two...and a three...

"There is nothing like a dame,"

A ballet portraying a fight between two gangs highlighted the Kiwanis "Frolics".

Bathing beauties Schreder, Charles, and Steinke, starred in the "Frolics" number "All Wet".

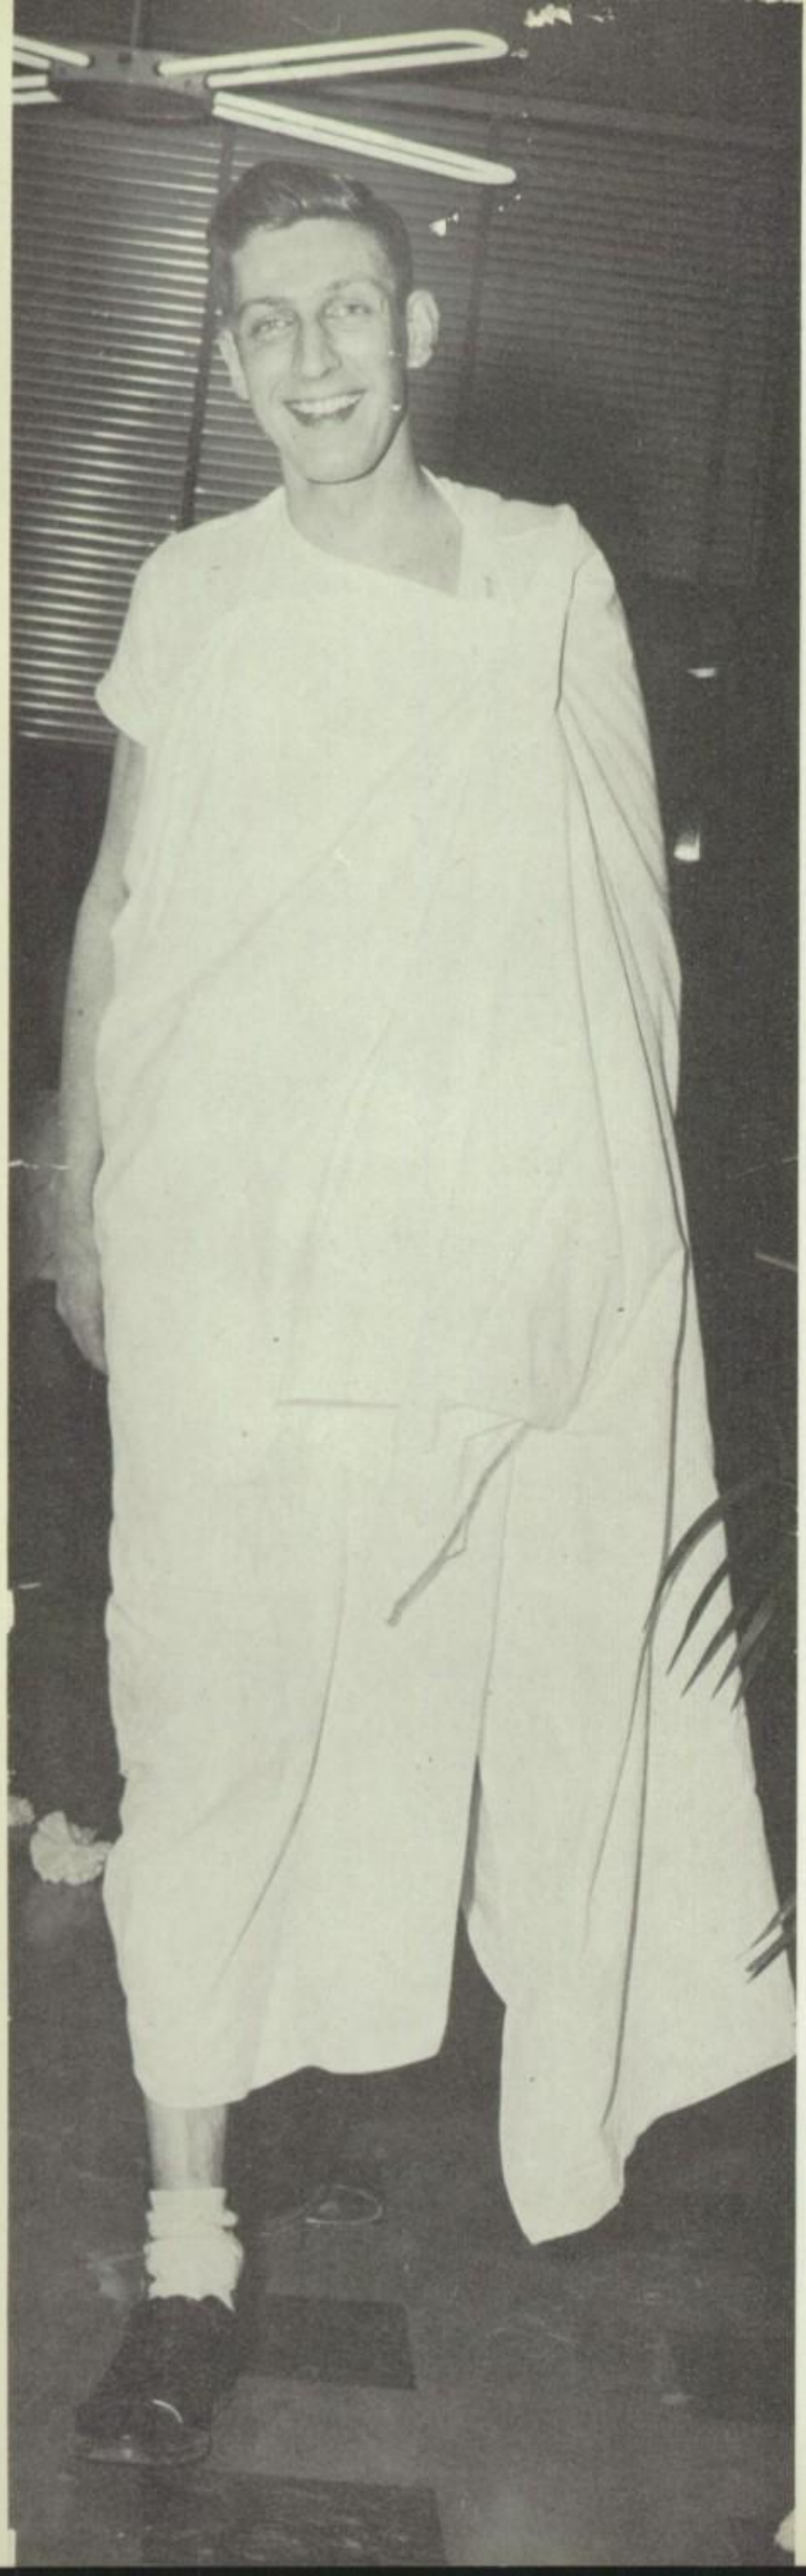
STUDENT GOVERNMENT PROJECT

A pamphlet on the City of Southfield is being prepared by volunteers from Mr. Owen's government classes. The purpose of the project is to provide a book describing the socio-economic background of Southfield. Sandy Garber and Sherol Riedel are working on the final draft. The booklet will be ready by April, celebrating the City of Southfield's first anniversary.



For the past seven years, the Latin classes have presented a Latin Banquet. This brings the life of the Romans closer to the students as they live Roman style for one evening. A double-wedding ceremony was the gathering for this year's Ron. a Banquet.

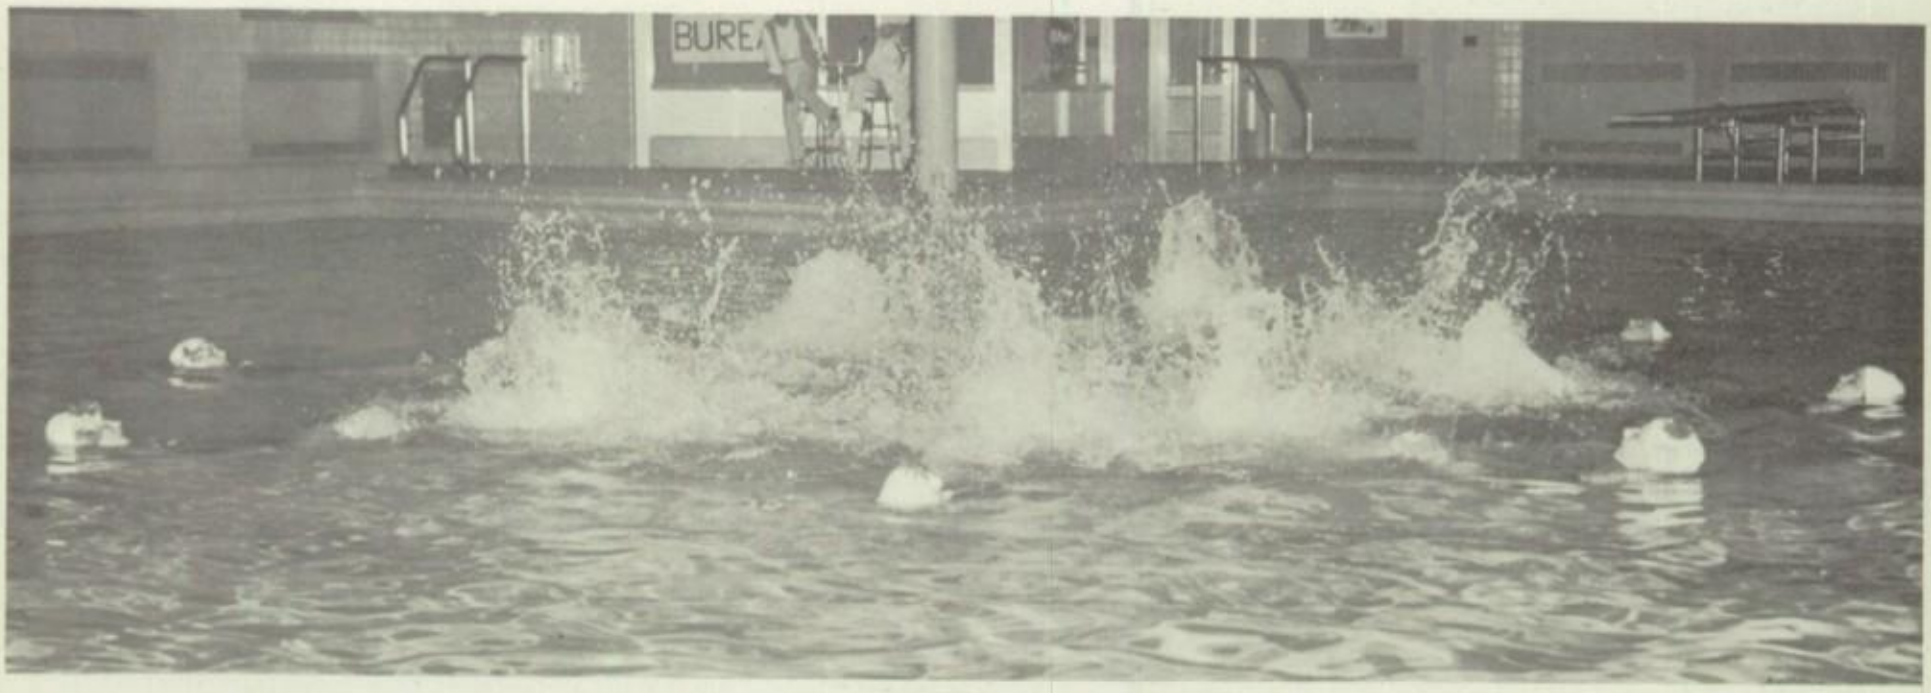
The party is really swinging.

Tom and Terry Clark entertain at the banquet.

ROMAN BANQUET

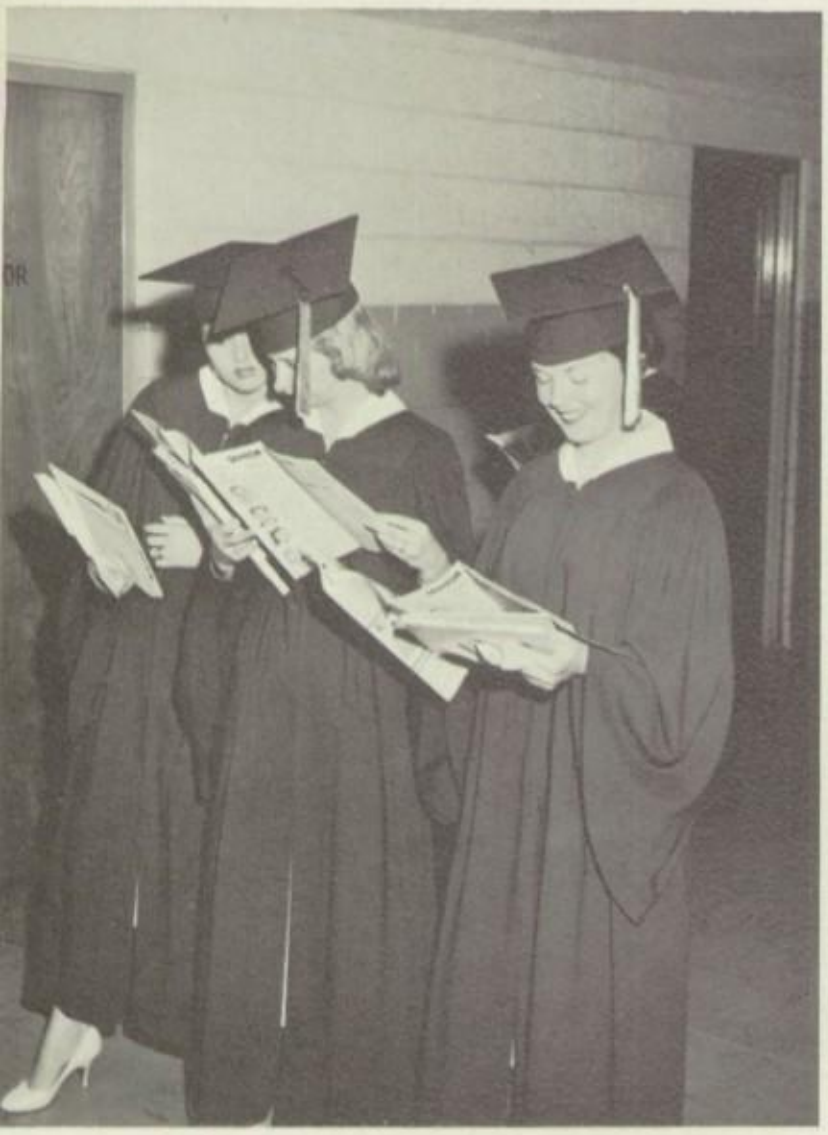
Sherol Riedel, Dan Flaherty, and Carol Plued demann won trophies for being the best dressed 'Romans' at the banquet.

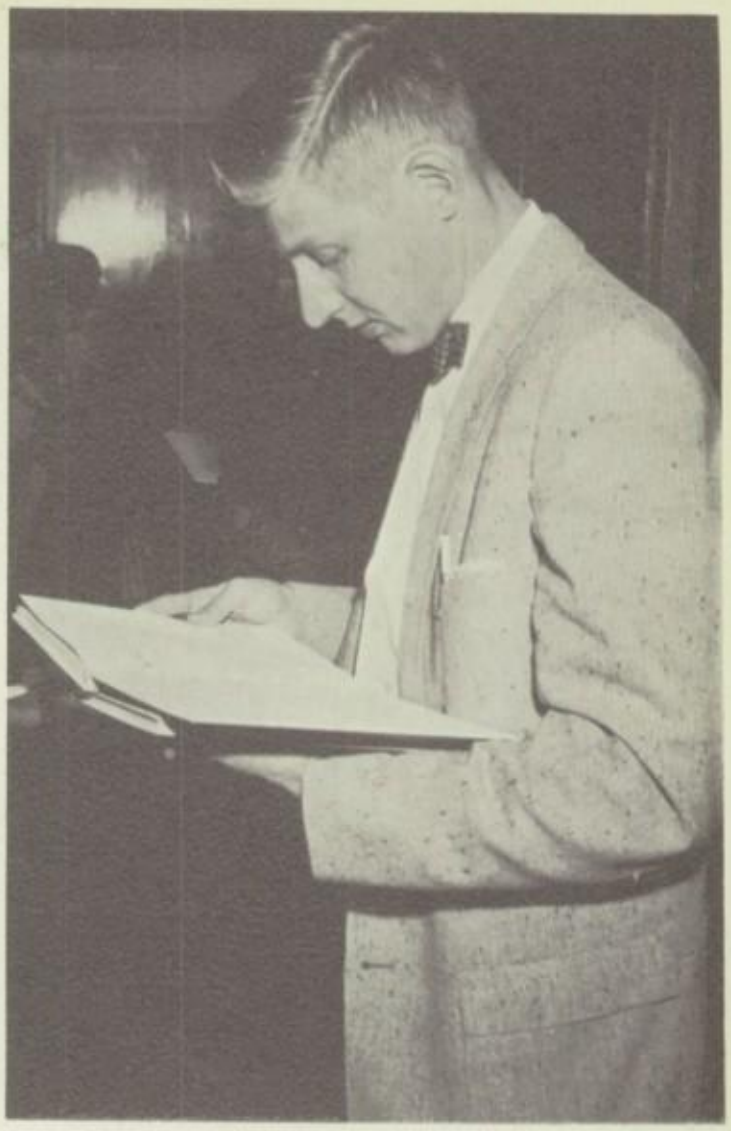
AROUND THE WORLD-NAVY STYLE



AROUND THE WORLD - NAVY STYLE was presented by *Les Cygnettes*. This water ballet took the audience to Hawaii, Alaska, Mexico, France, and several other countries. Solos were performed by Marcia Lawton and Judy Luhrs. A duet was given by Janice Christiansen and Bonnie Higgins.

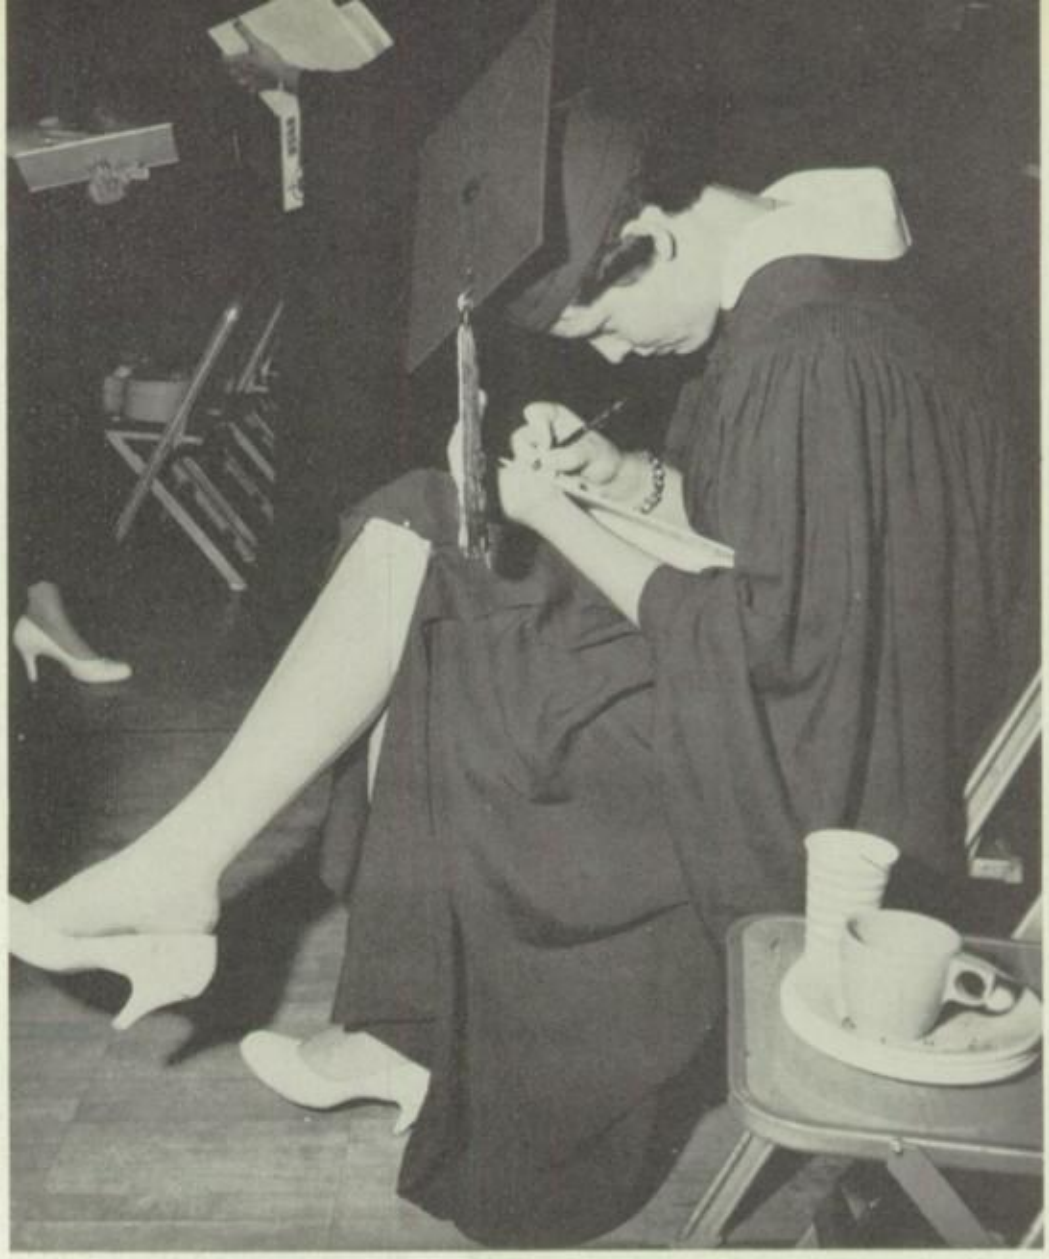
GRADUATION





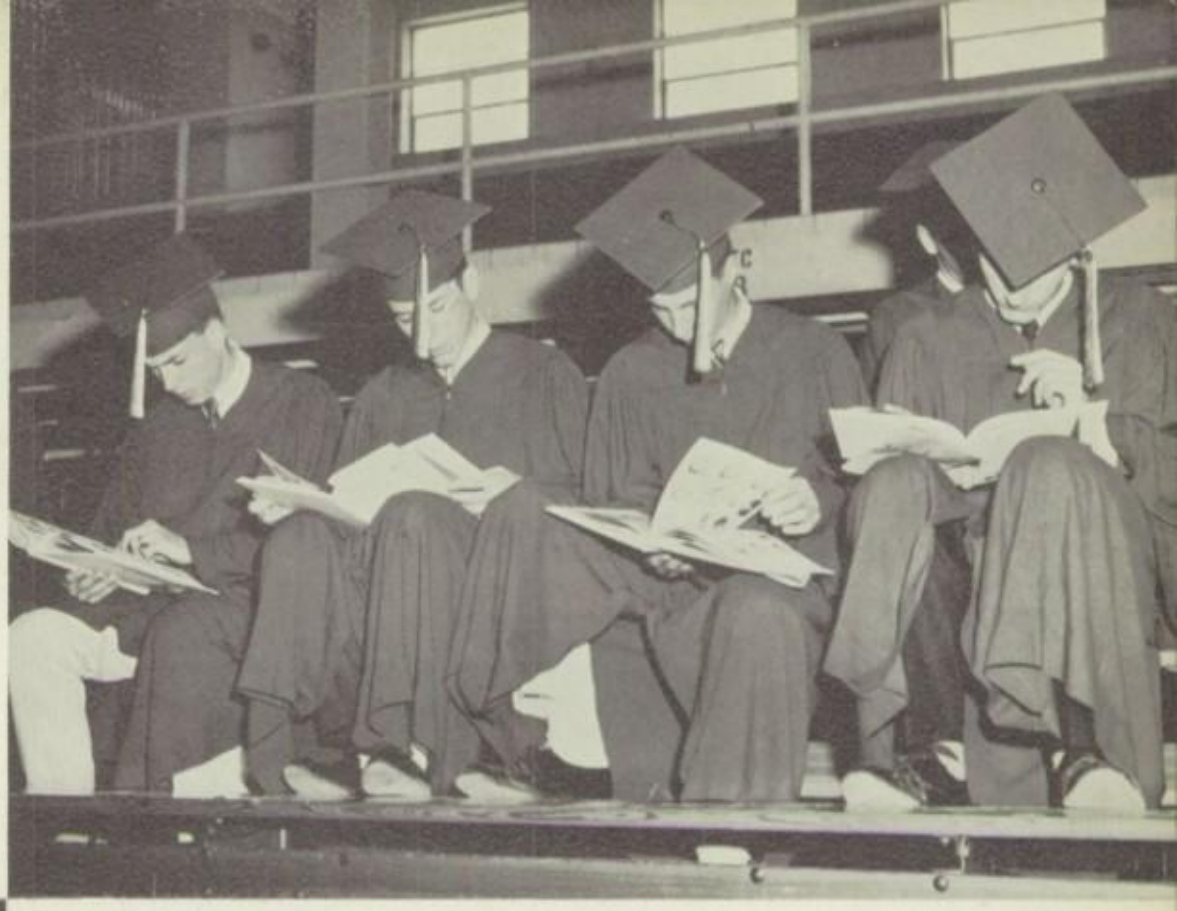
Mr. Fishbeck studies the 1958 Blue and Gray annual.

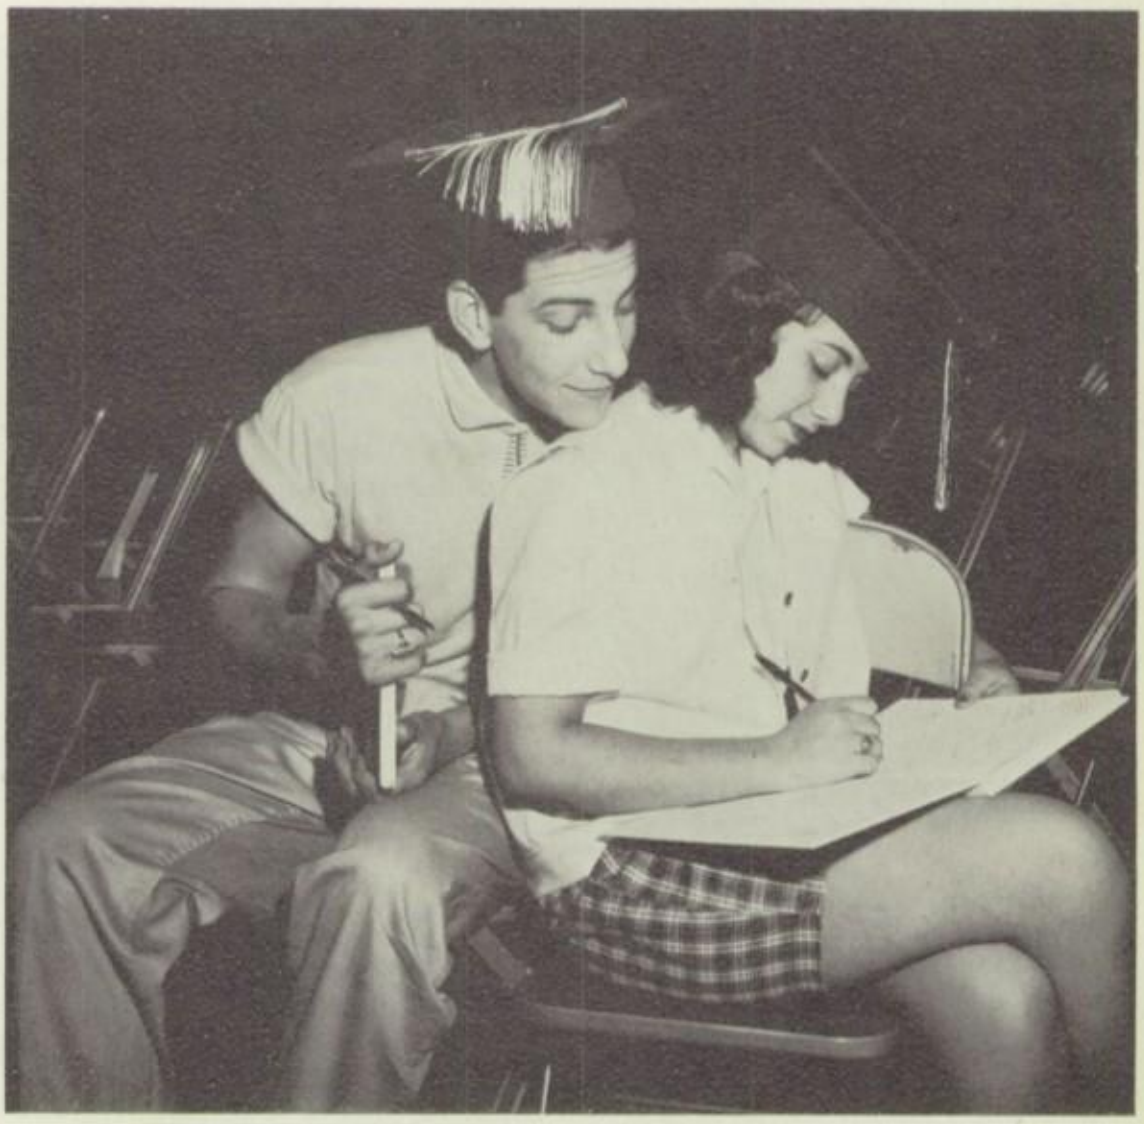
An annual luncheon is given in honor of the graduating seniors by the PTSA co-operating with the junior class officers. This buffet style luncheon brings to a climax the senior year.



SENIOR LUNCHEON

Graduating seniors have their first opportunity to appear in their caps and gowns on Senior Day. An assembly is given this day to honor the graduates.

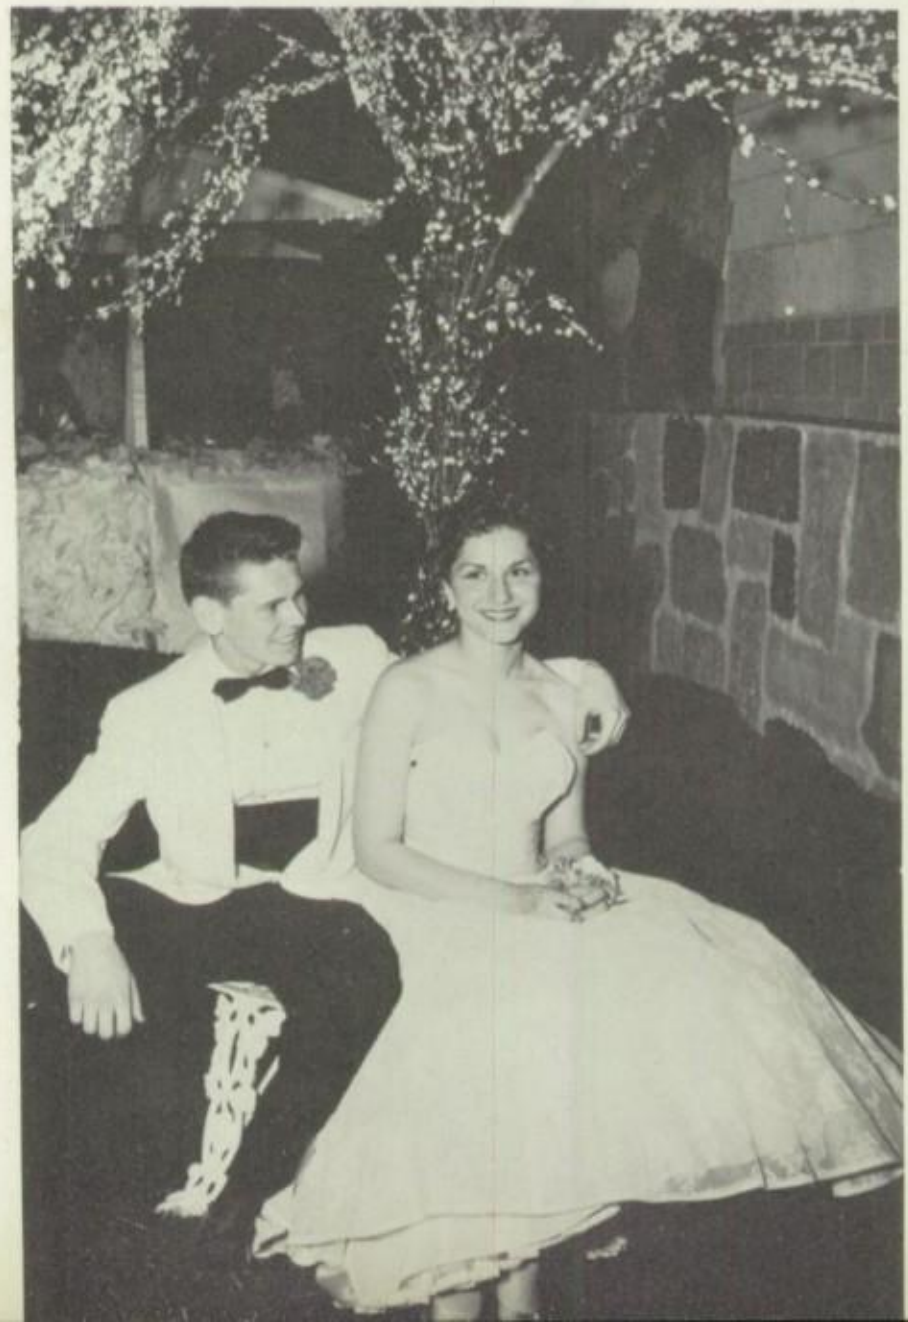




SENIOR DAY

FASCINATION

Fascination...and fascinating it was at the Senior Prom of 1958. The gymnasium was a decorative garden scene complete with wishing well. Refreshments were served over a rustic soda bar by colorful attendants. The evening was topped off with the danceable music of Phil Hough, a former graduate of Southfield High.



Sophomores Terry Odom and Terry Clark served refreshments.

Today's graduates are entering an exciting new era where they will live better electrically in every way . . . at home, at work, or at play.

For example, if you choose marriage, you can enjoy an all-electric home. Included will be electric heat, built-in electric range and refrigerator and a host of time-saving, economical electric appliances. They will be the ultimate in modern living comfort and convenience.

Or, if you go into business, efficient electrically operated machines will assist you in getting the job done swiftly and easily—again an illustration of the versatility and dependability of electricity.

Or, if you go on to college, perhaps you will become one of the scientists or technicians who help further mold the all-electric world of the future.

No matter which path you may choose, electricity will be there to lighten your load, brighten your way . . . help you live better . . . electrically.

"There's a girl I'd like to meet"

"I've been watching all evening how pleasant and charming she is to everyone. I'm told her name is Betty, and she works for the telephone company."

Yes, Betty, through her day-to-day training on her telephone job, has gained poise and confidence—real assets to an attractive, winning personality.

When she started her job, Betty had no experience in telephone work. But she was trained with other beginners by Michigan Bell's friendly, understanding supervisors. Today Betty's proud of her work; enjoys a fine salary, regular wage increases, and many new friends.

What more could any girl ask in a job? Get in touch with us—perhaps you'll find there's one of those interesting telephone jobs for you.
